DOMINION ORDERS IN COUNCIL.

P.C. No. 1336.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 20th day of August, 1925.

PRESENT:

THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by Order in Council of the 11th February, 1890 (P.C. 2065-G), an arrangement was entered into with the Province of British Columbia for the administration of mineral lands in the Railway Belt in that Province, under the terms of which the Government of Canada undertook not to make any disposition of minerals in the Railway Belt (except coal) other than by patent in fee-simple to said Province of the lands in which such minerals were found, to the intent that the minerals in the said Belt, other than coal, should be administered under the Mining Laws of the Province:

And whereas all grants by letters patent issued under the authority of the "Railway Belt Act," Chapter 59, Revised Statutes, 1906, of land in the Railway Belt, Mainland, British Columbia, with the exception of grants to the Province of British Columbia of the surface rights of mineral claims, reserve all mines and minerals to the Crown:

And whereas title to the precious metals was not transferred to the Crown, as represented by the Dominion at the date of the transfer of the Railway Belt, and these minerals, therefore, belong to the Province; the base metals were transferred to the Crown, as represented by the Dominion, at the date of the transfer of the Railway Belt and, therefore, belong to the Dominion:

And whereas the Minister of the Interior reports that the precious and base metals are frequently found in combination in the same base metals, and it is impossible to dispose of metals so combined or administer them under separate administrations; that as stated above, the Dominion of

Canada has agreed not to make any disposition of any minerals in the Railway Belt, except coal, other than by grant to the Province, and that under these conditions, it is inconvenient and impracticable for the Dominion to administer the base metals in the Railway Belt underlying patented Dominion lands:

And whereas the revenue derived from the base metals by disposition to the Province of the surface rights and base metals underlying available Dominion lands is nominal and in most cases does not exceed the office expenses:

And whereas the Province has been pressing for some years for title to the base metals underlying patented Dominion lands and, recently, a number of cases have arisen where it is represented that it is essential to the development of the mining interests in the Province that arrangements be made whereby title to the base metals underlying patented Dominion lands may be disposed of by the Province:

Therefore, the Deputy of His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that the undisposed of base metals, except coal, petroleum, and natural gas, underlying lands for which Dominion Government patents have been issued under the authority of the said Railway Belt Act, up to and including the date hereof, and in which all mines and minerals have been reserved with the exception of lands within the boundaries of existing Dominion Parks and Forest Reserves in the Railway Belt, and lands which have been granted for rights of way for the Canadian Pacific and Canadian National Railways, be and the same are hereby vested in His Majesty, King George the Fifth, for the purposes of the Province of British Columbia.

(Signed) E. J. LEMAIRE,

Clerk of the Privy Council.

To the Honourable

The Minister of the Interior.

THE COMMITTEE of the Privy Council have had before them a report, dated 29th July, 1925, from the Minister of the Interior, stating that an application has been made by Mr. Harry R. Danforth, of Enderby, B.C., to lease a portion of the bed of Shuswap River, containing two acres and thirty-three one-hundredths of an acre, in Section Twenty-four, in the Nineteenth Township of the Ninth Range, west of the sixth meridian, for the purpose of the storage and passage of logs in connection with his lumbering operations, as shown on the plan attached hereto.

Authority was granted to Mr. Danforth to proceed with the necessary construction under the provisions of an Order in Council dated the 17th September, 1924, (P.C. 1627).

The application has received the approval of the Department of Marine and Fisheries.

An agent of the Department of the Interior has inspected the site and has furnished a report favouring the application.

The Minister, therefore, recommends that he be authorized to issue a lease to Mr. Harry R. Danforth of the required parcels for a term of ten years at an annual rental of ten dollars, renewable for a further period of ten years, and that the lease be subject to cancellation upon six months' notice, and to be on such other terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.
